The Association or its designee, has the unequivocal right to create additional easements over, upon, or through the Condominium Property, at any time, for any purpose, without the joinder of any Unit Owners whomsoever, provided, that said easements so created shall not cause a diminution of parking spaces or cause a taking of part of the actual building.

7. COMMON EXPENSE; COMMON SURPLUS, LIABILITY AND METHOD OF SHARING. Each Unit shall share in the Common Surplus and be liable for the Common Expenses (except those assessable to less than all Units) in the same percentage as the percentage representing the undivided interest of each Unit in the Common Elements. All references and grants of power or authority to the Association or Board of Directors, including the power to discharge said responsibility and to enforce the Association's legal right for the purposes of this Amended and Restated Declaration of Condominium, shall be deemed as grants of power and authority directly to the Management Firm for such period of time as the management agreement exists, and only thereafter, to the Association. This provision shall not be construed as binding the Management Firm to perform all the duties of the Association, but only those which shall be

specified in the Management Agreement. For the purpose of this Amended and Restated Declaration of Condominium, all references herein to the Association where the rights, duties and powers are encompassed by the Management Agreement shall be deemed to read "The Management Firm" for so long as the Management Agreement shall exist, and thereafter, the "Association". 8.10 MASTER MANAGEMENT AGREEMENT. The Association shall, if requested, collect for the benefit of the Master Management Firm all sums due by virtue of the Master Management Agreement and promptly remit the same to the Master Management Firm.

9. USE AND OCCUPANCY RESTRICTIONS. In order to provide for congenial occupancy of the Condominium and Association Property and for the protection of the values of the Units, the use of the Condominium Property shall be restricted to and shall be in accordance with the following provisions:

9.1 RESIDENTIAL USE. Each Unit is hereby restricted to residential use as a single-family residence. For purposes of this Declaration, the term "single family" shall mean not more than two (2) unrelated persons living together as a single housekeeping unit, or two (2) or more persons related by blood, marriage, civil union or adoption living together as a single housekeeping unit. Notwithstanding the foregoing, as the Association is intended as Housing for Older Persons, each Unit must be occupied by at least one (1) permanent occupant who is fifty-five (55) years of age or older. It is the intent of this provision to utilize the Housing for Older Persons Act of 1995, as amended, to enable the operation of a qualified housing community for older persons thereby achieving exemption from otherwise relevant provisions of the Fair Housing Amendments Act of 1988, as amended. The Board is authorized to promulgate, adopt, amend, modify or delete from time to time, policies, procedures, rules and regulations to assure compliance with such exemption. Inasmuch as this Condominium is designed and intended as "housing for older persons" and to provide housing for residents who are fifty-five (55) years of age or older, children under eighteen (18) years of age shall be prohibited from permanently residing upon the premises and no owner shall permit a child under eighteen (18) years of age to permanently reside within any Unit; except that children under eighteen (18) may visit and temporarily reside for a period not to exceed thirty (30) days in total during any calendar year. Notwithstanding the foregoing, occupancy of a Unit on a permanent basis is limited to the maximum total number of occupants as set forth by State, County and/or Local ordinances from time to time. Notwithstanding any provision to the contrary contained herein, the Board of Directors, in its sole discretion, shall have the right to establish from time to time by Rule and Regulations, certain hardship exceptions to permit individuals between the ages of eighteen (18) and fifty-five (55) to permanently reside in any Unit, providing that said exceptions shall not be permitted in situations where the granting of a hardship exception would result in less than 80% of the Units having at all times at least one

resident fifty-five (55) years of age or older. After the date of recording of this Amended and Restated Declaration of Condominium in the Public Records of Broward County, Florida, (the "Effective Date"), no Owner may own more than two (2) Units in Keswick "B" and one such Unit shall be the permanent residence of that Owner. Any record owner of more than two (2) Units prior to the Effective Date of this Amendment shall be "grandfathered" and permitted to continue until such Units owned in excess of two (2) Units are sold or otherwise transferred in accordance with the provisions of this Amended and Restated Declaration of Condominium.

9.2 GUEST OCCUPANCY. A "guest" is defined as a person who enters upon the Property at the invitation of the Owner (or his or her respective family) for the purpose of visiting the Owner (or his or her respective family) or utilizing the Condominium Property. Use or visitation without consideration (payment) distinguishes a guest usage from a tenancy. For purposes of this Section, a live-in healthcare aide shall not be subject to the guest limitation but shall be subject to screening and approval, if intended to reside in the Unit with the Owner for a period exceeding thirty (30) days in any calendar year.

9.2.1 Non-Overnight Visitation by Guests When Unit Owner is in Residence. There is no restriction against this type of guest usage, provided that same does not create a nuisance or annoyance to other condominium residents, nor prevent their peaceful enjoyment of the premises. The Association may restrict or prohibit guest visitation by convicted felons, including but not limited to registered sex offenders and persons who have been convicted of narcotic offenses. Non-overnight guests need not be registered with the Association. Non-overnight guests shall be entitled to use the facilities only when accompanied by the Owner (or an adult resident member of the Owner's Family), unless otherwise approved by the Board of Directors. The Board may establish additional restrictions on non-overnight guest usage of facilities, such as maximum numbers of guests who may use common facilities, maximum numbers of common facility usages per guest, and the like.

9.2.2 Overnight Guests When Owner is in Residence. Owners (and their respective families) may have related or unrelated overnight guests, so long as the Owner is in simultaneous residence. Such overnight guests can only be in residence for less than fourteen (14) days in total during any calendar year. If such guests are in residence for more than fourteen (14) days, they must be registered with, screened and approved by the Board of the Association. The Association may restrict or prohibit guest visitation by convicted felons, including but not limited to registered sex offenders and persons who have been convicted of narcotic offenses. Such guests shall not create a nuisance or annoyance to other condominium residents, nor prevent their peaceful enjoyment of the premises.

9.2.3 Non-Overnight Guests in the Absence of the Owner. Owners may have their Units inspected by caretakers, family members, etc. However, such individuals shall not be permitted to use facilities, such as recreational facilities, without the prior approval of the Board.

9.2.4 Overnight Guests in the Absence of the Owner. Owners are permitted to have overnight guests in the absence of the Owner subject to the following conditions, and such other rules and regulations as promulgated by the Board from time to time to promote the residential, non-transient nature of this Community.

A. Non-Related Overnight Guests in the absence of the Owner will be limited to two (2) occupancies per calendar year, for a total period not to exceed fourteen (14) days. Ten (10) days' prior written notice to the Association is required.

B. Related Overnight Guests may occupy a Unit in the absence of the Owner. For the purpose of this clause, "related" means all persons who are staying in the Unit on an overnight basis, in the absence of the Owner, are related to the Owner or Primary Occupant (by blood, marriage, or adoption) to the following degree: parent, grandparent, child, grandchild, or sibling. Ten (10) days' prior notice to the Association is required, and such occupancy may not exceed thirty (30) days during any calendar year.

9.3 OWNERSHIP BY ENTITY. Record title to a Unit may be held in the name of one (1) or more natural persons who have qualified and been approved by the Association as elsewhere provided herein. However, after the Effective Date of this Amended and Restated Declaration of Condominium in the Public Records of Broward County, Florida, , record title to a Unit may not be acquired by or sold or otherwise transferred to a corporation, partnership, or other entity, except that title may be acquired by or sold or transferred to a Trust, provided that prior to approval by the Board of such transfer, the Board must be provided with satisfactory evidence that the sole purpose of the Trust is for estate, financial or tax planning. This provision shall not apply to the acquisition of title by an Institutional Lender pursuant to foreclosure of its mortgage or acceptance of a deed in lieu of foreclosure of its mortgage against a Unit. This provision shall not apply to the acquisition of title by the Association pursuant to the foreclosure or deed in lieu of foreclosure of its lien against the Unit. Any record ownership of a Unit by a corporation, partnership or other entity recorded prior to the Effective Date of this Amendment shall be "grandfathered" and permitted to continue until such Unit is sold or otherwise transferred in accordance with the provisions of Amended and Restated Declaration of Condominium.

9.4 GENERAL USE RESTRICTIONS. No person shall use the Condominium Property or any parts thereof, in any manner contrary to the Condominium Documents. Units may not be used for commercial or business purposes. Notwithstanding, Owners (and their approved occupants) may use Units for "home office" or "telecommuting" purposes, provided that such uses do not involve customers or clients coming onto the Property, do not increase traffic or otherwise interfere with the rights of other Owners, do not involve the postage of any signage in the Property, the storage of equipment, products, or materials in the Property, or more than two (2) regular deliveries per day of correspondence or similar items from customary express

delivery services. In addition to the foregoing, the Association shall have the right in the sole discretion of the Board of Directors to promulgate and adopt Rules and Regulations from time to time, governing the use of the Common Elements, Limited Common Elements and Units.

With regard to the Common Area lawns, catwalks and stairs, nothing may be kept or placed upon or in such areas. Specifically, no potted plants, statues, pottery, furniture, chairs, walkers, wheelchairs, bikes, wagons, rugs, towels, footwear, cooking grills/stoves, propane tanks or other items of personal property may be placed or kept on or in these areas, nor shall any personal items be placed or hung over the railings adjacent to the catwalks. With regard to the Common Area trees, shrubs, hedges and plants, no personal items may be hung or placed upon these items.

The personal property of all Unit Owners shall be stored within their Units or the specific areas assigned to them for storage purposes, provided, however, that no Owner may store any personal property on, or make any use of, the porch within the boundaries of their Unit which is unsightly when viewed from the exterior of the Unit nor shall be made any use of the same which interferes with the comfort, convenience or peaceful enjoyment of other Owners, as determined by the Board of Directors of the Association. No cooking grills/stoves, propane tanks, or device with an open flame shall be permitted to be used or stored on the porch within any unit.

9.5 ALTERATIONS AND ADDITIONS. No Unit Owner shall make or permit to be made any material alteration, addition or modification to his Unit without the prior written consent of the Association. All construction work requiring a permit shall be performed by a duly licensed contractor. The contractor shall obtain permits for all construction work requiring such a permit, which shall be visibly displayed on a front window of their Unit prior to and during the permitted activity. No Unit Owner shall cause the catwalk which is abutting, or part of, his Unit to be enclosed or cause any improvements or changes to be made therein or on the exterior of the building, including painting or other decoration, without the prior written approval and authorization of the Association. No Unit Owner shall install any structure, including, but not limited to a first-floor patio area, on the Common Elements and/or exterior of the building. No Unit Owner shall cause to be made any modification or installation of electrical wiring, or in any manner change the appearance of any portion of the Condominium Property. No outside television, radio, or other electronic towers, aerials, antennae, satellite dishes or device of any type for the reception or transmission of radio or television broadcasts or other means of communication shall be erected, constructed, placed or permitted to remain on any portion of the Condominium Property or upon any improvements thereon, except that this prohibition shall not apply to those satellite dishes that are one (1) meter (39.37 inches) in diameter or less, and specifically covered by 47 C.F.R. Part 1, Subpart S, Section 1.4000, as amended, promulgated under the Telecommunications Act of 1996, as amended from time to time. The Association is empowered to adopt rules governing the types of antennae, restrictions relating

to safety, location and maintenance of antennae. The Association may also adopt and enforce reasonable rules limiting installation of permissible dishes or antennae to certain specified locations, not visible from the street or neighboring properties and integrated with the Condominium Property and surrounding landscape, to the extent that reception of an acceptable signal would not be unlawfully impaired by such rules and provided the cost of complying with such rules would not unreasonably increase the cost of installation of permissible dishes or antennae. Notwithstanding the foregoing, no permissible dishes or antennae shall be installed on, over or through the Common Elements of the Condominium Property. Any approved antennae shall be installed in compliance with all federal, state and local laws and regulations, including zoning, land-use and building regulations. No Unit Owner may cause any material puncture or break in the boundaries of his Unit without the written permission of the Association. No Unit Owner shall cause to be made any modification or installation of electrical wiring, or in any manner change the appearance of any portion of the Condominium Property. No Unit Owner may cause any material puncture or break in the boundaries of his Unit without the prior written permission of the Association. No Unit Owner shall grow or plant any type of plant, shrub, flower, etc., outside his Unit over 2 feet tall, without the prior written approval of the Association. In connection with any Owner's request for addition, alteration or modification to his/her Unit, Limited Common Element or Common Element, the Association shall have the right to require such information as it deems reasonable and necessary in its sole discretion, to allow for meaningful review of the Owner's request. The Association shall have the right to disapprove any Owner's proposed addition, alteration or modification in its sole and absolute discretion and such disapproval shall be deemed final.

9.6 **LAWFUL USE.** No immoral, improper, hazardous, offensive or unlawful use shall be made of any or all the Condominium Property, and all laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereover shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereover, relating to any portions of the Condominium and/or Association Property, shall be corrected by, and at the sole expense of, the party obligated to maintain or repair such portion of the Condominium Property, as elsewhere herein set forth. Notwithstanding the foregoing and any provisions of these Amended and Restated Declaration of Condominium, the Articles of Incorporation or By-Laws, the Association shall not be liable to any person(s) for its failure to enforce the provisions of this Section.

9.7 **PETS/ANIMALS.** No walking pets or animals shall be brought upon, kept or harbored on the Condominium Property under any circumstance at any time. No other pets or animals of any kind shall be brought upon, kept or harbored on the Condominium Property without the prior written consent of the Association. Such written consent, if given, may be upon such conditions as the Association may prescribe and such consent shall be deemed

provisional and subject to revocation at any time. No animal may be kept, bred or maintained for any commercial purpose. Notwithstanding the foregoing, the Association is authorized to grant a reasonable accommodation pursuant to Federal and State Fair Housing laws to allow a disabled person to keep a service or support animal within his or her Unit. The Board shall have the authority to adopt reasonable rules and regulations from time to time pertaining to Service and Support Animals which are consistent with the provisions of Federal and State laws. No animal shall be left unattended on any Common Elements and may not become a nuisance or source of annoyance to any other Owner. When notice of revocation or removal of any pet or animal is given, said pet or animal shall be removed within three (3) days of the giving of the notice. In the event that an Owner fails or refuses to remove an objectionable animal despite Association demand, said Owner shall be liable for all expenses as may be incurred by the Association, including attorney's fees and costs, incurred to enforce these provisions concerning animals and/or rules and regulations hereinafter adopted concerning same. Any Unit Owner shall be required to clean up after his or her animal by picking up and properly disposing of all solid waste. All animals must be kept on a leash which affords adequate control over the animal at all times and must be walked in areas designated by the Association from time to time. Unit Owners are responsible for any damage incurred to the Common Elements from their animal. By registering an animal with the Association and bringing such animal upon the Association Property, the Unit Owner agrees to indemnify and hold the Association harmless for any damage to persons or property resulting from his or her animal. All animals currently registered with the Association are hereby grandfathered and approved by the Association and are subject to the other provisions of this section. In the event that an approved service or support animal dies or is otherwise permanently removed from the property, the Owner or Occupant must reapply with the Association in order to replace such animal. The Owner shall execute the Association document entitled "Assistance Animal Guidelines," "Animal Registration Form," and "Request for Reasonable Accommodation Form."

9.8 VENDING MACHINES. The Association shall have the exclusive and perpetual right to contract for the installation and operation of coin-operated vending and laundry machines, including, but not limited to, washing machines, dryers, dry cleaning machines and machines of an allied nature within the Condominium Property on areas designated for such services. No Unit Owner shall, without the prior written approval of the Association, install, operate or maintain a washing machine and/or dryer within the confines of his or her Unit.

9.9 NUISANCES. No nuisance as defined in the sole discretion of the Association from time to time, or any use or practice that is the source of unreasonable annoyance to other Unit Owners or which interferes with the peaceful possession and proper use of the Condominium Property by the Unit Owners, Residents or Occupants is permitted. No Unit Owner, Resident or Occupant shall permit or suffer anything to be done or kept upon the Condominium Property or his or her Unit which will increase the rate of insurance on the Condominium. No vapors, smoke, loud noises or noxious odors shall be permitted to emanate

from inside or around any Unit, including their air conditioner unit. Without limiting the generality of any of the foregoing provisions, no horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smoky vehicles or vehicles leaking oil or other substances, loud music, excessive shouting, noise or any items which may unreasonably interfere with television or radio reception of any Owner shall be located or used in any Unit or upon the Common Elements. The final determination of whether any activity, behavior, conduct, etc., constitutes a nuisance shall lie solely within the discretion of the Board of Directors. Unit Owners and Residents shall be obligated and shall have a strict duty to treat each other in a considerate and amicable manner. Any excessive noise, shouting, use of profanity, aggressive or threatening language, action or conduct shall be deemed a nuisance and shall constitute a violation of this Declaration.

9.10 PARKING. Parking is permitted only in designated parking areas. No commercial vehicle shall be parked or stored on the Condominium Property. "Commercial Vehicle" shall mean any vehicle that displays commercial license tags, or any emblems, signs, logos, lettering or other designs or writing on the exterior of the vehicle or contains visible equipment or tools. Any Owner or Occupant that presently owns a Commercial Vehicle prior to the Effective Date of this Amendment shall be "grandfathered" and permitted to continue to park said Commercial Vehicle on the Condominium Property until such time as the Commercial Vehicle is sold or otherwise transferred. Any state, county or local government vehicle shall be exempt from this restriction in accordance with any applicable statutes or ordinances. The foregoing restrictions shall not prohibit the temporary parking of commercial vehicles while making deliveries or providing services to any Unit or to the Condominium Property. The Association shall have the authority to tow any vehicle parked in violation of these provisions.

The following vehicles may not be parked on Association property at any time: boats, trailers, recreational vehicles, motor homes, campers, and vehicles which are not operational, or any vehicle without or not displaying a valid registration tag, without Board approval. Storage of vehicles is not permitted. For purposes of this Section 9.10, stored vehicles are defined as vehicles not in use that remain on the property in excess of five (5) days. However, seasonal residents who leave their vehicles in their assigned parking spaces off-season are exempt. Pickup trucks with a carrying capacity of not more than ½ ton used as private passenger vehicles shall be permitted provided that the bed is enclosed with a hardcover. Guest parking spaces are intended for the short-term use of guests and visitors of the Owners; Owners may not park their vehicles in the guest parking spaces unless given written permission by the Board to do so, such as for second vehicles. All parked vehicles must fit within the Unit's assigned parking space. Bicycles shall be parked only in areas designated by the Board of Directors and shall be kept in functional use and not constitute an eyesore.

9.11 RULES AND REGULATIONS. All Unit Owners and other persons shall use the Condominium Property, Community Services and Facilities, and the Recreation Services and

Facilities in accordance with the Rules and Regulations promulgated by the entity in control thereof and the provisions of this Declaration and the By-Laws of the Association.

9.12 FLOOR COVERINGS AND SOUNDPROOFING. All Units situated on the second floor shall have floors covered with wall-to-wall carpeting with padding of a weight/density to be determined by the Board from time to time, except in kitchens, bathrooms and entrance foyers. Kitchens, bathrooms and entrance foyers must have appropriate floor coverings to minimize noise in accordance with the provisions below regarding hard-surface flooring. Any Owner who desires to install any hard-surface floor coverings (e.g. vinyl, laminate, marble, ceramic, tile, slate, hardwood floors, etc.) in place of carpeting or within the kitchen, bathrooms and entrance foyers, shall notify the Board of Directors and obtain the Board's approval prior to making such installation, and shall be required to install a sound absorbent underlayment of such kind and quality as to substantially reduce the transmission of noise to adjoining Units, and shall additionally install caulking in the areas where the hard-surface floor covering and the walls and/or baseboards adjoin in order to substantially reduce the transmission of noise to adjoining Units. Where cork is used as the sound absorbent underlayment, a minimum of 1/4 inch thickness of cork shall be installed under any hard-surface flooring. Where other sound-absorbent underlayments are used (e.g., sound-absorbent grout and mortar materials similar to Laticrete), such materials shall meet or exceed the industry standards for insulations which effectively reduce both impact sound and airborne sound from floor to floor. Accompanying the Owner's application to install the flooring materials shall be a written description of the intended installation, together with such supporting documentation as the Board of Directors may reasonably require in order to render a decision. The Board of Directors shall have thirty (30) days from the receipt of the written notice and all supporting materials in which to render a decision. If prior notice and approval is not obtained from the Board of Directors, the Directors may, in addition to exercising all the other remedies provided for in this Declaration for breach of any of the provisions hereof, require such Unit Owner to cover all non-conforming work with carpeting, or may require removal of such non-conforming work, at the expense of the offending Unit Owner. Any flooring installed prior to the Effective Date of this Amendment shall be "grandfathered" and permitted to remain until such time as a substantial repair or replacement is made to the flooring.

9.13 NO SMOKING. Effective upon the recording of this Amended and Restated Declaration in the public records of Broward County, Florida, no person shall engage in the smoking of any lawful or unlawful substance, including, but not limited to, any tobacco, or tobacco type product, oil, resin, wax, etc., which is now or may become lawful in the future, within or upon any portion of the Association's Common Elements or any area within 30 feet of the building and any catwalk appurtenant to a Unit, except that smoking is permitted on any fully enclosed porch appurtenant to a Unit with windows and doors closed. For purposes of this provision "fully enclosed" does not include porches enclosed by/with screening. Notwithstanding the foregoing, smoking is permitted within the boundaries of the Unit,

provided that the Unit windows and doors are closed while smoking and there is no impact on Common Areas or neighboring Units. The Board of Directors may require the installation of an air filtration system approved by the Board of Directors within such a Unit for purposes of mitigating the intrusion of smoke into other Units or the Common Elements. For the purposes of this Subsection, the term "smoking" includes the act of inhaling, exhaling or burning, carrying or possessing any lighted or heated substance, including, but not limited to, cigars, cigarettes, pipe tobacco, e-cigarettes, marijuana, vaping or any other similar product, and the term "person" means any "Domestic Partner", "Guest", "Visitor", "Invitee", "Member", "Occupant" or Unit Owner's "Immediate Family", "Primary Occupant", "Tenant or Lessee", or "Unit Owner". Notwithstanding the foregoing, the Board may, in its sole discretion, establish outdoor areas where smoking may be permitted.

9.14 ELECTRIC VEHICLES AND CHARGING STATIONS. The Association shall have the right to authorize a Unit Owner to install upon that Unit's assigned parking space (or another space or location designated by the Board of Directors) at his or her sole expense, a charging station for electric vehicles. The installation and use of such charging station is prohibited unless the prior written approval of the Board has been obtained in the manner specified from time to time by Board rule. The installation of the charging station may not cause irreparable harm to the Condominium Property. Electricity for the electric vehicle charging station must be separately metered and payable by the Unit Owner installing such charging station. The Unit Owner installing the electric vehicle charging station is responsible for the costs of installation, operation, maintenance, and repair, including, but not limited to, hazard and liability insurance. The Association may enforce payment of such costs in the same manner as an Assessment for Common Expenses. If the Unit Owner or his or her successor decides there is no longer a need for the charging station, such person is responsible for the cost of removal of the electric vehicle charging station. The Association may enforce payment of such costs in the same manner as an Assessment for Common Expenses. The Board shall have the authority, in accordance with the provisions of Florida Statutes, as amended from time to time, to establish additional rules and regulations governing the installation and use of charging stations. Notwithstanding the foregoing, the Association shall have the right, but not the obligation, unless required by law, to install electric vehicle charging stations upon the Common Elements. Such installation and subsequent maintenance, repair and replacement of electric vehicle charging stations located upon the Common Elements shall be deemed a Common Expense of the Association and shall be subject to reasonable rules and regulations regarding use and fees, as may be adopted by the Board from time to time. Installation of electric vehicle charging stations pursuant to this section shall not be deemed a material alteration.

10. MAINTENANCE AND REPAIR OF THE CONDOMINIUM PROPERTY, ALTERATIONS AND IMPROVEMENTS.

10.1 MAINTENANCE BY ASSOCIATION. The Association, at its expense, shall be

responsible for and shall maintain, repair and replace all the Common Elements.

10.2 LIMITATION UPON LIABILITY OF ASSOCIATION AND MANAGEMENT FIRM. Notwithstanding the duty of the Association and the Management Firms to maintain and repair parts of the Condominium Property, the Association and Unit Owners shall fully indemnify and hold the Management Firms harmless from all loss, cost, expenses including reasonable attorney's fees for injury or damage, whether caused by any latent condition of the property to be maintained and repaired by them, natural elements, other persons, or caused by any other reason whatsoever.

10.3 MAINTENANCE BY UNIT OWNER. The Unit Owner shall, subject to the other provisions of this Declaration, maintain, repair and replace, at his or her sole cost and expense, all portions of his or her Unit including, but not limited to, all doors, windows, window frames, glass, screens, electric panels, electric wiring, electric outlets and fixtures, heaters, hot water heaters, refrigerators, dishwashers and other appliances, drains, plumbing fixtures and connections, interior surfaces of all walls, floors and ceilings, and all other portions of his or her Unit. The Unit Owner shall maintain and repair the air conditioning compressor, refrigerant and electrical line appurtenant to his or her Unit, and such other portions of the air conditioning system as set forth in Article 4.2.5 above. The Unit Owner shall maintain and repair their air conditioner unit to control the noise to a reasonable level so as not to create a nuisance to other residents. The Unit Owner shall replace the hot water heater according to the frequency required by the Association. The Association reserves the right to establish and enforce installation of standard door designs and colors.

10.4 LIABILITY OF UNIT OWNER. Should a Unit Owner undertake unauthorized additions and/or modifications to his or her Unit, or refuse to make repairs as required, or should a Unit Owner cause any damage to the Common Elements, Limited Common Elements or other Condominium or Association Property, the Association may make such repairs or replacements as are necessary and shall levy an individual Special Assessment for the cost thereof against said Unit Owner. In the event a Unit Owner threatens to or violates the provisions hereof, the Association shall also have the right to proceed in a court of law and to seek an injunction and/or compliance with the provisions hereof as set forth in this Declaration.

10.5 INSURANCE PROCEEDS. Whenever any maintenance, repair and replacement of any items for which the Owner of a Unit is responsible is made necessary by any loss covered by insurance maintained by the Association, the proceeds of the insurance received by Association, shall be used for the purpose of accomplishing such maintenance, repair or replacement. The responsible Unit Owner shall be required to pay all the costs thereof that exceed the amount of the insurance proceeds.

10.6 RIGHT OF ENTRY BY ASSOCIATION AND MANAGEMENT FIRM. Whenever it is necessary to enter any Unit for the purpose of inspection, including inspection to ascertain a Unit Owner's compliance with the provisions of this Declaration or for performing

any maintenance, alteration or repair to any portion of the Common Elements or Unit, the Unit Owner shall permit an authorized agent of the Association or Management Firm to enter such Unit, or to go upon the Common Elements, provided, that such entry shall be made only at reasonable times and with reasonable advance notice. In the case of emergency such as, but not limited to, fire or hurricane, entry may be made without notice or permission. The Unit Owners acknowledge that the Association has retained a key, or access code in the case of a digital door lock, to all the Units in the Condominium. Each Unit Owner does hereby appoint the Association as his or her agent for the purposes herein provided and agrees that the Association or Management Firm shall not be liable for any alleged property damage or theft caused or occurring on account of any entry. Should any Unit Owner change the lock or add a lock to the Unit, he or she shall be required to provide notice to the Association, together with a copy of the key or access code to the Unit.

11. APPORTIONMENT OF TAX OR SPECIAL ASSESSMENT IF LEVIED OR ASSESSED AGAINST THE CONDOMINIUM PROPERTY.

11.1 RESPONSIBILITY. If any taxing authority levies or assesses any Tax or Special Assessment against the Condominium Property as a whole, and not the individual Units, the same shall be paid as a Common Expense by the Association and assessed to the Unit Owners. In such event, the amount due shall constitute a lien prior to all mortgages and encumbrances upon any Unit to the same extent as though such Tax or Special Assessment had been separately levied by the taxing authority upon each Unit.

12. MAINTENANCE OF COMMUNITY INTERESTS. In order to maintain a community of congenial residents who are financially and socially responsible, and thus protect the value of the Condominium Property, the sale, devise, inheritance or other transfer and/or occupancy or mortgaging of Units shall be subject to the following provisions as long as the Condominium and the Condominium Property exist. Accordingly, no Unit Owner may sell, devise, inherit, transfer, permit the occupancy of, take ownership to, or mortgage a Unit except by complying with the provisions of this Article 12, which include, but are not limited to, obtaining the prior written approval of the Board of Directors. A Unit may be owned by one (1) or more natural persons who have qualified and been approved by the Association as elsewhere provided herein. However, after the Effective Date of recording of this Amended and Restated Declaration of Condominium in the Public Records of Broward County, Florida, title to a Unit may not be acquired by or sold or otherwise transferred to a corporation, partnership, or other entity, except that title may be acquired by or sold or transferred to a Trust, provided that prior to approval by the Board of such transfer, the Board must be provided with satisfactory evidence that the sole purpose of the Trust is for estate, financial or tax planning. This provision shall not apply to the acquisition of title by an Institutional Lender pursuant to foreclosure of its mortgage or acceptance of a deed in lieu of foreclosure of its mortgage against a Unit. Any record ownership of a Unit by a corporation, partnership or other entity

recorded prior to the Effective Date of this Amendment shall be "grandfathered" and permitted to continue until such Unit is sold or otherwise transferred in accordance with the provisions of this Article 12.

12.1 TRANSFERS SUBJECT TO APPROVAL

a. RIGHT OF FIRST REFUSAL. In the event any Unit Owner wishes to sell or transfer the fee interest to his or her Unit, the Association shall have the option to acquire, or purchase said Unit upon the same terms and conditions as are offered by the Unit Owner to a third person. Any attempt to sell or transfer the fee interest to said Unit without prior offer to the Association shall be deemed a breach of this Declaration and shall be wholly null and void and shall confer no title or interest whatsoever upon the intended purchaser or transferee. The Association (or its assignee) shall have the right of first refusal to purchase the Unit or interest therein upon the same terms and conditions as set forth in the offer, provided that written notice of such election is given to the Unit Owner within thirty (30) days following the delivery to the Association of such notice, as set forth in this Article. The Association may waive its right of first refusal in its sole and absolute discretion.

b. SALE. No Unit Owner may dispose of a Unit or any interest in a Unit, by sale or otherwise, without the prior written approval of the purchaser and all proposed occupants by the Association, obtained in the manner set forth herein. In a further effort to promote a community of resident owners, it is intended that the Owner of each Unit must occupy and use such Unit as a private dwelling for him or herself together and present with the members of his or her family and for no other purpose. To inhibit transiency, encourage continuity of residents, and discourage investment ownership, in accordance with all provisions of Section 12 of this Declaration, no natural person and no entity (separately or in conjunction with any other person or entity) shall acquire, own and/or have or maintain an interest in more than two (2) Units within the Condominium at any time, whether such ownership or ownership interest is legal, equitable or beneficial, or whether such ownership or ownership interest is held directly or indirectly through any corporation, trust, estate, partnership, other business or other entity or any Family Member. "Family Member" as that term is used herein, means the Owner and the Owner's spouse as recognized by any federal, state, local or foreign government, registered domestic partner, and any person residing together with the Owner as a single housekeeping unit, and such persons' parents, grandparents, children, grandchildren, brothers, sisters, aunts, uncles, nieces, nephews and the spouses of such persons. The foregoing provisions shall not apply to any Unit(s) owned by the Association.

c. GIFT, DEVISE OR INHERITANCE. If any person shall acquire his or her title or right to occupy by gift, devise or inheritance, the continuance of his or her ownership or occupancy of the Unit shall be subject to the approval of the Association obtained in the manner set forth herein.

d. OTHER TRANSFERS. If any person shall acquire his or her title by any manner not

considered in the foregoing subsections, the continuance of his or her ownership of the Unit shall be subject to the written approval of the Association obtained in the manner set forth herein.

e. LEASE. The rental, leasing or subleasing of Units is strictly prohibited. Notwithstanding the foregoing, in the event of a hardship resulting from the death of a Unit Owner's spouse or partner, the Board may approve a one-time rental not to exceed one (1) year in duration, provided that the proposed lease and tenant are properly screened and approved, in writing, in accordance with the provisions of this Article 12.

12.2 APPROVAL OF ASSOCIATION. The approval of the Association that is required for the transfer of all or any part or portion of ownership and/or occupancy of Units shall be obtained in the following manner:

A. NOTICE TO ASSOCIATION

a. SALE. A Unit Owner intending to make a "bona fide" sale of his or her Unit shall give to the Association written notice of such intention, together with such information concerning the intended purchaser and any and all intended occupants, as the Association may require.

b. GIFT, DEVISE OR INHERITANCE, OTHER TRANSFERS. A Unit Owner, who has obtained his or her title by gift, devise or inheritance, or by any other manner not previously considered, shall give to the Association notice thereof, together with such information concerning the Unit Owner and any and all intended occupants as the Association may require and a copy of the instrument evidencing the Owner's title.

c. LEASE. A Unit Owner, intending to enter into a "bona fide" one-time rental not to exceed one (1) year in duration due to hardship resulting from the death of a Unit Owner's spouse or partner, shall give to the Association written notice of such intention, together with such information concerning the intended lessee(s), including any and all intended occupants, as the Association may require, and a copy of the proposed lease.

d. FAILURE TO GIVE NOTICE. If the required written notice to the Association is not given, then at any time after receiving knowledge of a transaction or event allegedly transferring ownership or possession of a Unit, the Association, at its election and without notice, may approve or disapprove the same in accordance with the provisions of this Article 12. If the Association disapproves the transaction, occupancy, possession or ownership of the Unit the transfer shall be voidable, and the Association shall proceed as if it had received the required notice on the date of such disapproval.

e. BONA FIDE OFFER. A "bona fide" offer as used herein shall mean an offer in writing, binding upon the offeror, disclosing the name and address of the real party in interest and containing all of the terms and conditions of such proposed transfer, lease or sale

and accompanied by an earnest money deposit in current legal funds.

B. CERTIFICATE OF APPROVAL

a. SCREENING FEE AND DEPOSIT- Every request for approval of a proposed sale, lease, or other transfer or occupancy of a Unit may be accompanied by a screening fee, per applicant, including married couples who shall be deemed one applicant for fee purposes, in the highest amount permitted by law, as same may be amended from time to time with Board approval. An application for approval shall not be deemed complete, and the time frame for approval shall not begin to run unless and until such fee has been provided to the Association.

b. SALE OR LEASE. If the proposed transaction is a sale or lease, then within thirty (30) days after receipt by the Association of such written notice and all information concerning the proposed purchaser, occupant(s), or tenants (including response to character and financial inquiries), that the Association may request in its sole discretion, the Association must either approve or disapprove the proposed transaction. If the transaction is a sale, the approval shall be stated in a certificate executed in accordance with the By-Laws of the Association, in recordable form, which shall be recorded at the expense of the party recording the deed, in the Public Records as an attachment to the instrument of conveyance. If the transaction is lease, the approval shall be stated in a certificate expressly setting forth that the lease is non-renewable for a period not to exceed one year that has been granted due to hardship.

c. GIFT, DEVISE OR INHERITANCE, OTHER TRANSFERS. If the Unit Owner or other person giving written notice to the Association has acquired his or her title by gift, devise, inheritance or in any other manner, then within thirty (30) days after receipt of such written notice and all information required in the Board's sole discretion to be furnished concerning such Owner and all intended occupants, the Association must either approve or disapprove the continuance of the Unit Owner's ownership and/or occupancy of the Unit. If approved, the approval shall be stated in a certificate executed by the Association in accordance with the By-Laws of the Association, in recordable form, and which shall be recorded in the Public Records of Broward County, Florida as hereinabove provided.

To facilitate the informed Approval or Disapproval by the Board of a proposed sale, lease, occupancy or other transfer of a Unit, information reasonably required by the Board shall include, but shall not necessarily be limited to, credit, criminal, civil, driver's license, residency, and sexual predator records. In addition, the Board may require an in-person interview as a condition of approval. In addition to the foregoing, the Board shall have the right, but not the obligation, to request and obtain from any applicant such additional information as may be deemed in its sole discretion and judgment to be appropriate in connection with its review of an application for purchase, other transfer, or occupancy. Any application for approval shall not be deemed complete until any and all information reasonably requested by the Board has

been provided from sources reasonably acceptable to the Board under the circumstances, and the screening fee has been paid.

In an effort to ensure that the Board is basing its approval/disapproval on the most current information available, the in-person interview(s) of the applicant(s) by the Board shall take place subsequent to, but not more than fourteen (14) days following the Association's receipt of the complete application, including any and all additional information reasonably required by the Board, but in no event less than seven (7) days prior to the intended date of closing, transfer, or occupancy.

The interview of the applicant(s) shall be conducted in-person and shall take place at a location specified by the Association. The in-person interview is a mandatory condition of approval, and the failure of the applicant(s) to schedule and attend the in-person interview with the Board shall result in automatic disapproval. The Association shall have no obligation, but at its discretion, may allow an electronic interview as a substitution for the in-person interview.

The Board of Directors may, in its sole discretion and judgment, waive or amend any documentary requirement based upon jurisdictional availability or non-availability as applicable, provided in the Board's sole judgment and discretion that such waiver or amendment will not unreasonably impair "meaningful review" and/or "informed consideration" of the application and applicant(s). It is acknowledged that in certain situations and circumstances, it may be difficult and/or cost-prohibitive for the Association to obtain information sufficient to allow the Board to meaningfully review a proposed transaction or occupancy. In such circumstances, the Board is authorized to require an applicant to provide such information from a source deemed reliable in the sole discretion of the Board, at the applicant's own expense. Such information may include but may not be limited to international background checks. Notwithstanding the foregoing, in the event that despite a good faith effort by the Association, the applicant(s) fail to respond to the Association's reasonable request for additional information and/or fail to timely provide reasonably sufficient information, documentation and/or timely responses to the Association sufficient for the Board to make a "meaningful review" and/or "informed consideration" of the application or any applicant, the application shall be deemed disapproved for good cause.

12.3 DISAPPROVAL BY ASSOCIATION

The Board may confer freely with counsel in reaching its decision with regard to approval or disapproval of any sale, lease, or other transfer or occupancy of a Unit. If the Association shall disapprove a sale, transfer of ownership or the leasing or occupancy of a Unit, the sale, transfer, lease, or occupancy shall not be consummated, and the Association shall have no obligation to provide a substitute transferee, lessee or occupant. The following factors may be considered in determining good cause for disapproval:

- A. The application for approval on its face, or subsequent investigation thereof,

indicates that any of the persons seeking approval intends to act in a manner inconsistent with the covenants and restrictions applicable to the Association.

B. The person seeking approval has been convicted of a felony crime involving violence to persons, demonstrating dishonesty or moral turpitude; a criminal offense involving illegal drugs; or a criminal offense involving sexual battery, sexual abuse, or lewd and lascivious behavior, or any other felony; or the person is required to register as a Sexual Offender or Predator.

C. The person seeking approval has a record of financial irresponsibility, including without limitation prior bankruptcies, foreclosures, bad debts, poor credit rating and/or FICO score below 650 or the person does not appear to have adequate financial resources available to meet his/her obligations to the Association. The Board shall have the authority in its sole discretion to make hardship exceptions in this regard.

D. The person seeking approval has a history of disruptive behavior or disregard for the rights and property of others as evidenced by conduct in other social organizations or associations, or by conduct in this Association as an occupant, tenant, guest or Owner.

E. The person seeking approval, or the Unit Owner has/have failed to provide the information required to process the application in a timely manner; has materially misrepresented any fact or information provided in the application or screening process; has failed to pay the transfer/approval fee or security deposit, or payment has been dishonored; or has not agreed, failed to provide, or refused to release to the Association the background investigation.

F. All Assessments and other charges against the Unit have not been paid in full, or the Unit has outstanding violations previously noticed to the Owner that remain uncured.

G. Without limiting or altering the above, the person seeking approval has failed to meet any of the requirements set forth in this Declaration or is otherwise unqualified due to any of the provisions of this Declaration, or any other applicable law.

The terms of this Article 12 shall not apply to or otherwise serve to limit the rights of the Association to lease Units it has acquired title to through lien foreclosure actions or deeds in lieu of foreclosure.

12.4 DOWN PAYMENT/MINIMUM EQUITY REQUIREMENT

In the event that a sale of a Unit is proposed whereby the prospective purchaser intends to finance more than Eighty (80%) Percent of the purchase price of the Unit; the Association shall have the right to disapprove the proposed sale. Any sale effectuated in violation of this provision may be voided by the Association. The terms and conditions of this provision shall not apply to a first mortgagee seeking to transfer a Unit where that first mortgagee has taken title to that Unit by virtue of a foreclosure sale or a deed in lieu of foreclosure. Nor shall this

provision apply in the event the Association seeks to transfer a Unit where the Association has taken title to that Unit by virtue of a foreclosure sale or a deed in lieu of foreclosure.

12.5 APPROVALS OF OCCUPANTS

All persons wishing to reside in a Unit in the Association must submit an application for occupancy to the Association, which includes, but is not limited to, an inquiry into the applicant's credit history and criminal history, payment of the non-refundable application fee as required by the Association and meet the following minimum standards in order to be approved to reside in the Unit by the Board of Directors. Good cause for disapproval may include, but is not limited to the following:

- A. Conviction of a misdemeanor crime for violence against persons or property within the past five (5) years.
- B. Conviction of a felony crime for violence against persons or property within the past ten (10) years.
- C. Conviction of a felony or misdemeanor crime for any sexual crimes, including but not limited to prostitution, or child pornography, within the past ten (10) years.
- D. The application, on its face, indicates that approval would create a violation of the Association's Declaration, Articles of Incorporation, By-Laws, Rules and Regulations, or Florida law. By way of example, without limitation, failure to identify all proposed occupants or an intent to lease the Unit; an intention to bring a prohibited pet into the Unit; an intent to store multiple vehicles or an unidentified motorcycle on the premises; failure to provide complete and accurate responses on the application form; or other prohibited uses.
- E. Failure to include required fees or deposits with the application form.
- F. Premature occupancy of the Unit, i.e., occupancy without prior approval of the Association.

12.6 MORTGAGE. No Unit Owner may mortgage his or her Unit, or any interest therein, without the prior written approval of the Association, except to an Institutional Mortgagee.

12.7 EXCEPTIONS

The foregoing provisions of this Section entitled "MAINTENANCE OF COMMUNITY INTERESTS" shall not apply to a transfer to or purchase by an Institutional Mortgagee that acquires its title as the result of a deed from the Mortgager in lieu of foreclosure or through foreclosure proceedings; nor shall these provisions apply to transfer of Units obtained by the Association through foreclosure or deed in lieu of foreclosure.

a. PROVISIO. Should an Institutional Mortgagee acquire title to a Unit as hereinabove provided, such Institutional Mortgagee shall immediately thereafter notify the Association of such fact. Any purchaser from an Institutional Mortgagee shall be subject to all the provisions of this Declaration, including the approval provisions hereof.

b. PROVISIO. Should any purchaser acquire title to a Unit at a duly advertised public sale with open bidding as provided by law, then such person shall immediately thereafter notify the Association of such fact and shall be governed by this Article 12 and subject to the approval requirements therein, and all other provisions of this Declaration.

12.8 CONDOMINIUM DOCUMENTS. It shall be the responsibility of the transferor of a Condominium Unit to transfer to transferee all the Condominium Documents originally provided to said transferor. Notwithstanding this Section 12.8, the transferee shall be bound by the terms of this instrument even though the transferor has failed to comply herewith.

12.9 UNAUTHORIZED TRANSACTIONS. Any sale, mortgage or lease not authorized pursuant to the provisions of this Declaration shall be void unless subsequently approved by the Association and shall be deemed a violation of this Declaration and subject to the provisions of Article 20 hereof.

12.10 PROVISIO. No certificate of approval shall be issued by the Association, as provided in this Section 12 and/or the By-Laws, and any approval provided for herein shall be strictly conditioned upon all sums due by the Unit Owner pursuant to this Declaration, Management Agreement and the Master Management Agreement being paid and brought current.

12.11 IMMUNITY FROM LIABILITY FOR DISAPPROVAL. The Association, its agents or employees, shall not be liable to any person whomsoever for the approving or disapproving of any person pursuant to this Section 12, or for the method or manner of conducting the investigation. Unless otherwise required by law, the Association, its agents or employees shall not be required to specify any reason for disapproval.

13. INSURANCE PROVISIONS. The insurance which shall be purchased and maintained for the benefit of the Condominium shall be governed by the following provisions:

13.1 PURCHASE OF INSURANCE. All insurance purchased pursuant to this Section 13 shall be purchased by the Association for the benefit of the Association, the Unit Owners and their respective mortgagees as their interest may appear and shall provide for the issuance of certificates of insurance and endorsements to any or all of the holders of institutional first mortgages. The policies shall provide that the insurer waives its rights of subrogation as to any claims against Unit Owners and the Association, their respective servants, agents and guest. Each Unit Owner and the Association hereby agree to waive any claim against each other and against other Unit Owners for any loss or damage for which insurance hereunder is carried where the insurer has waived its rights of subrogation as aforesaid. The named insured shall be the Association, individually, and as agent for Owners of Units covered by the policy, without naming them, and as agent for their mortgagees, without naming them. The Unit Owners and their mortgagees shall be deemed additional insureds.

13.2 COST AND PAYMENT OF PREMIUMS. The cost of obtaining all insurance hereunder, excluding only the insurance as may be purchased by individual Unit Owners, is declared to be a COMMON EXPENSE as are any other fees or expenses incurred which may be necessary or incidental to carry out the provisions hereof.

13.3 UNIT OWNERS' RESPONSIBILITY. Each Unit Owner must obtain insurance, at his or her own expense, affording coverage upon his or her own property and for his or her own liability and living expenses as he or she deems advisable. All such insurance shall contain the same waiver of subrogation that is referred to herein and shall waive any right to contribution.

13.4 COVERAGE. The following coverage shall be obtained by the Association:

a. The building and all other insurable improvements upon the land, including all of the Units, Common Elements, Limited Common Elements, and all personal property owned by the Association shall be insured in an amount equal to the maximum insurable replacement value thereof (exclusive of excavations and foundations) as determined annually by the insurance company providing the coverage. Said coverage shall afford protection against loss or damage by fire and other hazards covered by the standard extended coverage endorsement and all other such risks as, from time to time, may be covered with respect to buildings similar in construction, location and use, including, but not limited to, vandalism, malicious mischief, windstorm, war damage and war risk insurance, if available.

b. The policy shall provide primary coverage for the following (the "Insured Property"): (i) all portions of the Condominium Property located outside the Units, (ii) the Condominium Property located inside of the Units as such property was initially installed, or replacements thereof of like kind and quality and in accordance with the original plans and specifications or, if the original plans and specifications are not available, as they existed at the time that the Unit was initially conveyed, and (iii) the Building (including all fixtures, installations or additions comprising that part of the Building within the boundaries of the Units and required by the Act to be insured under the Association's policies) and all improvements located on the Common Elements and the Association Property from time to time, together with all fixtures, building service equipment, personal property and supplies constituting the Common Elements or Association Property.

c. Notwithstanding the foregoing, the Insured Property shall not include, and shall specifically exclude all floor, wall and ceiling coverings, electrical fixtures, appliances, air conditioner and/or heating equipment, water heaters, water filters, built-in cabinets and counter tops, and window treatments, including curtains drapes, blinds hardware and similar window treatment components or replacements of any of the foregoing which are located within the boundaries of a Unit and serve only one Unit and all air conditioning compressors that service only an individual Unit, if any, whether or not located within the Unit boundaries. Such policies may contain reasonable deductible provisions as determined by the Board of

Directors of the Association. Such coverage shall afford protection against loss or damage by fire and other hazards covered by a standard extended coverage endorsement, and such other risks as from time to time are customarily covered with respect to buildings and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.

d. Comprehensive general public liability and property damage insurance in such an amount and in such form as shall be required by the Association in limits of not less than \$300,000 for bodily injury or death to any persons not less than \$500,000 for bodily injury or death resulting from any one accident or occurrence, and not less than \$50,000 for property damage. Said coverage shall include, but not limited to, water damage, legal liability, hired automobile, non-owned automobile, and off-premises employee coverage. All liability insurance shall contain cross liability endorsements to cover liabilities of the Unit Owners as a group to an individual Unit Owner, and one Unit Owner to another.

e. Workmen's compensation policies shall be obtained to meet the requirements of law.

f. Such other insurance as the Board of the Association may determine to be necessary from time to time.

13.5 DISTRIBUTION OF PROCEEDS. Proceeds of insurance policies shall be distributed by the Association to, or for the benefit of, the Unit Owners in the following manner:

a. If the damage for which the proceeds were paid is to be reconstructed, the proceeds shall be paid to defray the costs thereof.

b. If it is determined that the damage for which the proceeds are paid shall not be reconstructed, the proceeds shall be distributed to the Unit Owners and their mortgagees as their interest may appear.

13.6 ASSOCIATION AS AGENT. The Association is irrevocably appointed agent for each Unit Owner, for each Owner of a mortgage upon a Unit, and for each Owner of any other interest in the Condominium Property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

13.7 DETERMINATION TO RECONSTRUCT. If any part of the Condominium Property shall be damaged by casualty, the determination as to whether or not it shall be reconstructed shall be made in the following manner:

a. COMMON ELEMENT. If the damage is to a Common Element, the damaged property shall be reconstructed unless it is determined in the manner elsewhere provided that the Condominium shall be terminated.

b. CONDOMINIUM PROPERTY.

(1) LESSER DAMAGE. If the damage is to the Condominium Property

and if Units to which more than 30% of the Common Elements are appurtenant are found by the Board of Directors of the Association to be tenantable, the damaged property shall be reconstructed, unless within 60 days after the casualty the Unit Owners owning 80% or more of its Common Elements agree in writing not to reconstruct, in which event, the Condominium shall be terminated. Notwithstanding the foregoing, if such damage may be reconstructed for \$200,000 or less, the damage will be reconstructed.

(2) MAJOR DAMAGE. If the damaged improvement is the Condominium Property, and if Units to which more than 70% of the Common Elements are appurtenant are found by the Board of Directors to be untenable then the damaged property will not be reconstructed and the Condominium will be terminated without agreement as elsewhere provided, unless within sixty (60) days after the casualty the Owners of 75% of the Common Elements agree in writing to such reconstruction, provided, however, that the \$200,000 limit, as aforesaid, shall apply, notwithstanding the fact that the required number of Units are tenantable.

13.8 RESPONSIBILITY. If the damage is only to those parts of a Unit for which the responsibility of maintenance and repair is that of the Unit Owner, then the Unit Owner shall be responsible for reconstruction after casualty. In all other instances, the responsibility of reconstruction after casualty shall be that of the Association.

13.9 NATURE OF RECONSTRUCTION. Any reconstruction included hereunder shall be substantially in accordance with the plans and specifications of the original building, or as the building was last reconstructed, subject to modification to conform with the then current governmental restrictions and codes.

13.10 ESTIMATES. In all instances hereunder, immediately after a casualty causing damage to the property for which the Association has the responsibility of maintenance and repair, the Association shall obtain a reliable, detailed estimate of the cost to place the damaged property in a condition as good as that before the casualty. Such cost may include professional fees and premiums for such bonds as the Board may desire, or those required by any Institutional Mortgagee involved.

13.11 ASSESSMENTS. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction by the Association, or if, at any time during reconstruction or upon completion of reconstruction, the funds for the payment of the costs of reconstruction are insufficient, Assessments shall be made against all Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Assessments against Unit Owners for damage to Units shall be in proportion to the cost of reconstruction of their respective Units. Such Assessments on account of damage to Common Elements shall be in proportion to the Owner's shares in the Common Elements.

13.12 USE OF PROCEEDS. The proceeds of insurance and any Special Assessments, if

any, collected on account of a casualty shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction in the following manner:

a. That portion of insurance proceeds representing damage for which the responsibility of reconstruction lies with the Unit Owner shall be used to pay such contractors, suppliers, and personnel for work done, materials supplied, or services required for such reconstruction. Payments shall be in such amounts and at such times as the Unit Owners may direct, or if there is a mortgagee endorsement, to such payee as the Unit Owner and the mortgagee direct. Nothing contained herein shall be construed to limit or modify the responsibility of the Unit Owner to make such reconstruction. If the amount of the estimated cost of reconstruction is less than \$25,000 and is the responsibility of the Association: The construction fund shall be utilized by the Association in payment of such costs.,

b. If the amount of the estimated cost of reconstruction is more than \$25,000 and is the responsibility of the Association, then the reconstruction funds shall be applied to the payment of such costs and shall be paid by the Association, from time to time, as the work progresses.

13.13 EFFECT OF MORTGAGEE ENDORSEMENTS CONCERNING INSURANCE PROCEEDS In the event a mortgagee endorsement has been issued to any Unit, the share of the Unit Owner shall be held in trust for the mortgagee as heretofore provided: provided, however, that no mortgagee shall have the right to determine or participate in the determination as to whether or not the damaged property shall be reconstructed, and no mortgagee shall have the right to apply, or have applied to, the reduction of its mortgage debt any insurance proceeds except distributions of such proceeds made to the Unit Owner and mortgagee where the responsibility for reconstruction is that of the Unit Owner. All mortgagees agree to waive the rights to said proceeds if the same are used pursuant to the provisions of this Declaration to pay for the restoration of such damage. The provisions hereof shall not affect the right of the mortgagee, if any, to require any surplus proceeds to be distributed to it over and above the amounts actually used for such restoration. All covenants contained herein for the benefit of any mortgagee may be enforced by such mortgagee. Nothing contained herein, however, shall be construed as relieving the Unit Owner from his duty to reconstruct damage to his Unit as heretofore provided.

13.14 AUTHORITY OF ASSOCIATION. In all instances herein, except when a vote of the membership of the Association is specifically required, all decisions, duties and obligations of the Association hereunder may be made by the Board. The Association and its members shall jointly and severally be bound thereby.

14. ASSESSMENTS, LIABILITY, LIEN AND ENFORCEMENT.

14.1 GENERAL AUTHORITY. The Association, through its Board, shall have the power

to make, levy and collect regular and Special Assessments for Common Expenses and such other Assessments, including Special Assessments as are provided for by the Condominium Act, Master Management Agreement, and this Declaration and all other expenses declared by the Directors of the Association to be Common Expenses from time to time. The expenses provided by the Master Management Agreement are not Common Expenses, however the Association shall whenever possible, assist the Master Management Firm in the collection of sums due to each of them by the Unit Owners.

14.2 UNIT OWNER'S GENERAL LIABILITY. All Assessments levied against Unit Owners and Units shall be on a uniform basis in the same proportion as the percentages of the undivided shares in the ownership of the Common Elements unless specifically otherwise provided for herein, without increase for the existence, or lack of existence, of any exclusive right to use a part of the Limited Common Elements. Should the Association be the Owner of any Unit, the Assessment, which would otherwise be due and payable to the Association or others by the Owner of such Unit, shall be a Common Expense as the same relates to the collection of such sums from the Unit Owners to pay the Association's obligations.

14.3 PAYMENT. The Assessments of the Association levied against the Unit Owner and his or her Unit shall be payable in such installments, and at such times, as may be determined by the Board of Directors of the Association from time to time.

14.4 SPECIAL ASSESSMENTS. If general Assessments levied are or may prove to be insufficient to pay the costs of operation and management of the Condominium, or in the event of emergencies, the Board of Directors shall have the authority to levy such additional Assessment or Assessments as Special Assessments as it shall deem necessary. The Association may pass a Special Assessment against a Unit Owner for any fine or other monetary amount that may be imposed against the Association by a local municipality or other third party based on their conduct within the Association, including but not limited to their failure to maintain their respective Unit in addition to any alteration they make to the Association property without the expressed prior written authorization.

a. RESERVE FUND. The Board of Directors of Association in assessing Common Expenses may include therein a sum to be collected and maintained as a reserve fund for repair or replacement of Common Elements for the purpose of enabling Association to replace structural elements and mechanical equipment constituting a part of the Common Elements, as well as the replacement of personal property which may be a portion of the Common Elements. Such reserves shall be for items of deferred maintenance in excess of \$10,000.00. As permitted by law, the Board shall have the right, but not the obligation to waive reserves in full or in part provided that such waiver is approved by at least a majority of the voting interests of the Association appearing in person or by proxy at a duly noticed meeting of the membership.

b. OPERATING RESERVE FUND. The Board of Directors of the Association in

assessing for Common Expenses may include therein a sum to be collected and maintained as a general operating reserve which shall be used to provide a measure of financial security during periods of special stress. Such sums may be used to meet deficiencies from time to time existing as a result of delinquent payment of Assessments by Unit Owners or as a result of emergencies.

14.5 SEPARATE PROPERTY. All monies collected by the Association shall, unless the same is collected for the benefit of others, be the separate property of the Association. Such monies may be applied by the Association to the payment of any expense of operating and managing the Condominium Property, or to the proper undertaking of all acts and duties imposed upon it by virtue of the provisions of this Declaration. All monies received from Assessments may be co-mingled with other monies held by the Association. All Assessments received by the Association shall be held for the benefit of the Unit Owners. No Unit Owner shall have the right to assign, hypothecate, pledge or in any manner transfer his interest therein, except as an appurtenance to his Unit. Such funds shall not be subject to attachment or levy by a creditor or judgment creditor of a Unit Owner. When the Owner of a Unit shall cease to be a member of the Association by the divestment of his ownership of such Unit by whatever means, the Association shall not be required to account to such Owner for any share of the funds or assets of the Association.

14.6 DEFAULT. Assessments shall be payable monthly, in advance, without notice, and shall be due on the first day of each month, unless otherwise required by the Board. The payment of any Assessment or installment thereof due to the Association shall be in default if such payment is not paid to the Association when due. If in default in excess of ten (10) days, the delinquent Assessment, or delinquent installments thereof and all advances permitted by Section 14.8 hereof, shall bear interest at the rate equal to the maximum rate then allowed to be charged to individuals in the State of Florida. In addition, a late charge in the highest amount permitted by law shall be then due and payable. In the event that any Unit Owner is in default on payment of any Assessments or installments thereof, owed to the Association, said Unit Owner shall be liable for all costs of collecting the same, including reasonable attorneys' fees and court costs.

14.7 NO WAIVER. No Unit Owner may exempt himself from liability for any Assessment levied by waiver of the use or enjoyment of any of the Common Elements or by abandonment of the Unit for which the Assessments are made or in any other manner.

14.8 LIEN. The Association is hereby granted a lien upon each Condominium Unit, together with a lien on all tangible personal property located within said Unit (except that such lien upon the aforesaid tangible personal property shall be subordinate to prior bona fide liens of record), which lien shall secure the payment of all monies from each Unit Owner for which he or she is liable to the Association, including all Assessments, interest and expenses provided for in this Declaration and reasonable attorneys' fees incurred as an incident to the

enforcement of said lien. The lien granted to Association may be foreclosed as provided in the Condominium Act (F.S. 718, et seq.) as it may be amended and/or renumbered from time to time. The lien granted to the Association shall further secure such advances for taxes and payments on accounts of Institutional Mortgages, liens or encumbrances which may be required to be advanced by the Association in order to preserve and protect its lien. The lien shall be effective, have priority, and be collected as provided by the Condominium Act, unless by the provisions of this Declaration, such liens would have a greater priority or dignity, in which event, the lien rights in favor of the Association having the highest priority and dignity shall be the lien of the Association.

14.9 PROVISIO. In the event that any person or Institutional Mortgagee shall acquire title to any Unit by virtue of either foreclosure of a first mortgage, or a deed in lieu thereof, the liability of such acquirer of title, and his successors and assigns for the share of Common Expenses or Assessments by the Association or others pertaining to the Condominium Unit shall be governed by the provision of F.S. 718.116, as same may be amended and/or renumbered from time to time. Nothing herein contained shall be construed as releasing the party liable for such delinquent Assessments from the payment thereof or the enforcement of collection of such payment by means other than foreclosure. A Unit Owner, regardless of how he or she obtained title to his or her Unit, is jointly and severally liable with the prior Unit Owner for all amounts due to the Association up to the time of the transfer of title to the Unit, and is further liable for all Assessments, both for Common Expense or otherwise, coming due while he or she is the Unit Owner.

14.10 CERTIFICATE OF STATUS OF ASSESSMENTS. Any Unit Owner, mortgagee or lienor may require the appropriate estoppel certificate as set forth in F.S. 718.116(7), as same may be amended and/or renumbered from time to time.

14.11 NO OCCUPANCY UNTIL ASSESSMENTS PAID. Any person who acquires an interest in a Unit, including without limitation, persons acquiring title by operation of law, shall not be entitled to occupancy of such Unit until such time as all unpaid Assessments, including payments due under the Management Agreements and all court costs and attorneys' fees, if any, incurred by the Association and due and owing by the former Unit Owner, have been paid in full.

14.12 NO ELECTION OF REMEDIES. The institution of a suit at law for collection of any delinquent Assessment may be maintained without waiving the lien securing the same. Proceeding by foreclosure to attempt to effect such collection shall not be deemed an election precluding the institution of suit at law for collection of the same. All Unit Owners do hereby waive pleading the theory of "elections of remedies" in any such proceedings.

15. TERMINATION. The Condominium may be terminated in the following manner:

15.1 DESTRUCTION. If it is determined in the manner provided in Section 13 that the

Condominium Property shall not be reconstructed, the Condominium will be terminated.

15.2 AGREEMENT. As provided in Section 718.117 of the Condominium Act, as amended and/or renumbered from time to time, the Condominium may be terminated at any time by the approval in writing of all Unit Owners and all record Owners of mortgages on Units. If the proposed termination is submitted to a meeting of the Association, and if the vote of the Owners of not less than 80% of the Common Elements, their Institutional Mortgagees, if applicable, is obtained, in writing, not later than sixty (60) days from the date of such meeting, and not more than ten (10%) percent of the voting interests express their disapproval, then the approving Unit Owners (through the Association), shall have an option to buy all of the Units of the disapproving Unit Owners for the period of one hundred twenty (120) days from the date of such meeting. The vote of those Unit Owners approving the termination shall be irrevocable until the expiration of the option. The option shall be upon the following terms:

a. EXERCISE OF OPTION. The option shall be exercised by delivery, or the mailing by registered mail, of an agreement to purchase, signed by the Association, to each of the Owners of the Units. The agreement shall be subject to the purchase of all Units owned by Owners not approving the termination.

b. PRICE. The sale price for each Unit shall be the fair market value as determined between the seller and the Association within thirty (30) days from the delivery of said agreement. In the absence of agreement on the price of any Unit, the price shall be determined by an appraiser appointed by the Chairman of the local Board of Realtors. A judgment of specific performance of the sale, at the price determined by the appraiser, may be entered in any court of competent jurisdiction.

c. PAYMENT. The purchase price shall be paid in cash.

d. FORM. The contract shall be in the form of the Standard Deposit Receipt and Contract for Sale and Purchase then in use in Broward County, Florida.

e. CLOSING. The sale of all Units shall be closed simultaneously and within thirty (30) days following the determination of the sale price of the last Unit to be purchased.

15.3 CERTIFICATE. The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by its President and Secretary certifying the fact of the termination, which shall become effective upon the certificate being recorded in the Public Records.

15.4 SHARES OF OWNERS AFTER TERMINATION. After termination of the Condominium the Unit Owners shall own the Condominium Property and all assets of the Association as tenants in common of undivided shares that shall be equal to the sum of the undivided shares in the Common Elements appurtenant to the Units prior to termination so that the sum total of the ownership shall equal one hundred (100%) percent. Any such

termination shall in no way affect the rights and obligations of the Unit Owners nor shall the same affect the rights and obligations of the Unit Owners or the Master Management Firm under the Master Management Agreement.

15.5 EXCLUSIVE RIGHTS EXTINGUISHED BY TERMINATION. All exclusive rights of use of Limited Common Elements shall be extinguished by virtue of the termination of the Condominium.

15.6 AMENDMENT. This Section 15 concerning termination cannot be amended without written consent of all Unit Owners and all record Owners of mortgages upon the Units, if any.

15.7 EQUITABLE RIGHTS. Unit Owners shall have such rights as provided in F.S. 718.118, as amended and/or renumbered from time to time.

16. AMENDMENTS. Except as herein or elsewhere provided, this Declaration may be amended in the following manner:

16.1 NOTICE. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered.

16.2 PROPOSAL OF AMENDMENT. An amendment to this Declaration may be proposed by either the majority vote of the entire membership of the Board of Directors of the Association or by at least a majority of the total voting interests of the Association. Except as elsewhere provided, a resolution adopting the proposed amendment must be approved by not less than a majority of the entire membership of the Board of Directors and by not less than two-thirds (2/3) of the voting interests of the Association appearing in person or by proxy at a duly noticed meeting of the membership of the Association after a quorum is established.

16.3 PROVISIO. Except as otherwise provided in this document:

a. 19.1 EXECUTION BY UNIT OWNERS. At the closing of the purchase of each Unit, each original Unit Owner executed the Master Management Agreement for the purpose of providing the management, maintenance, repair and operation of the "Community Services and Facilities" therein described. All subsequent purchasers shall, on the instrument of conveyance, as a condition precedent to the vesting of title, assume and agree to pay the

obligations thereunder. All monies due and to become due to the Master Management Firm under the provisions of the Master Management Agreement shall be collected by the Master Management Firm, or its designee. It is understood that the sums due the Master Management Firm and the Recreation Management Firm are the direct obligation of the Unit Owner to the Master Management Firm and the Recreation Management Firm and are not Common Expenses of the Condominium.

19.5 NECESSITY. The Unit Owners, severally and jointly, do by the execution of said agreement, acknowledge the absolute necessity of the Master Management Agreement for the provision of the "quasi-municipal" services enumerated therein for the benefit of the Century Village community as a whole.

20. REMEDIES

20.1 RELIEF. Each Unit Owner and the Association shall be governed by and shall comply with the provisions of this Declaration as they may exist from time to time. A violation thereof shall entitle the appropriate party to the following relief: An action to recover sums due for damages, injunctive relief, foreclosure of lien or any combination thereof, or any other action available pursuant to the Condominium Act or law. Suit may be sought by the Association, Management Firms, or, if appropriate, by one or more Unit Owners and the prevailing party shall be entitled to recover reasonable attorney's fees. Each Unit Owner acknowledges that the failure to comply with any of the provisions of this Declaration shall or may constitute an injury to the Association, the Management Firms, or the other Unit Owners, and that such injury may be irreparable.

20.2 COSTS AND ATTORNEYS' FEES. In any proceeding arising because of an alleged default, act, failure to act, or violation by the Unit Owner or Association, including the enforcement of any lien granted pursuant to this Declaration or its Exhibits, the Association, (if it is not Defendant), or the Management Firms, whichever is appropriate, shall be entitled to

recover the costs of the proceeding, including reasonable attorneys' fees. Further, in the event proceedings are instituted by or against the Management Firms or any affiliated Company of the same or any individual connected with the same for any reason whatsoever, including but not limited to: (1) actions for declaratory judgment, (2) any claim that any of the above have not complied with their obligations under this Declaration and its Exhibits, or (3) that any provision of the same is unconscionable, unfair (or the like) or violates any state or Federal law or regulation, and if the Management Firms, and affiliated companies and individuals connected with the same are the prevailing party or parties then, and in that event, they shall be entitled to recover all costs of the proceedings. All rights, remedies and privileges under any terms, provisions, covenants, or conditions of the Governing Documents shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the Association from exercising such other additional rights, remedies, or privileges as may be granted by the Condominium Documents, or at law or in equity.

20.3 NO WAIVER. The failure of Association, the Management Firms, or Unit Owner to enforce any right, provision, covenant, or condition created or granted by this Declaration shall not constitute a waiver of the right of said party to enforce such right, provision, covenant or condition in the future.

20.4 RIGHTS CUMULATIVE. All rights, remedies and privileges granted to the Association, the Management Firms, or Unit Owners pursuant to any of the provisions of this Declaration shall be deemed to be cumulative and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional right, remedies, or privileges as may be available to such party at law or in equity. Each Unit Owner agrees in any proceeding brought pursuant to the provisions hereof not to plead or defend the same on the theory of "election of remedies."

20.5 VENUE: WAIVER OF TRIAL BY JURY. Every Unit Owner or approved Occupant and all persons claiming any interest in a Unit does agree that in any suit or proceeding brought pursuant to the provisions of this Declaration, such suit shall be brought in the Circuit Court of the 17th Judicial Circuit in and for Broward County, Florida, or the United States District Court, Southern District of Florida, as the same is not constituted or any court in the future that may be the successor to the courts contemplated herein. All such parties,

except the Management Firms, do further waive the right to trial by jury and consent to a trial by the court without a jury.

ARTICLE 1. GENERAL PROVISIONS.

thereof, are subject to these Amended and Restated By-Laws and the documents referred to in Section 1.2 hereof.

1.4 OFFICE. The office of the Association shall be at the Condominium Property, or such other place designated by the Board of Directors of the Association from time to time.

1.6 DEFINITIONS. All definitions set forth in the Declaration and Exhibits attached thereto are hereby adopted and incorporated by reference as though set forth herein verbatim.

ARTICLE 2.

MEMBERSHIP, VOTING, QUORUM, PROXIES

2.1 QUALIFICATION OF MEMBERS, ETC. The qualifications of members, the manner of their admission to membership and termination of such membership and voting by members shall be as set forth in the Declaration, Articles, and in these By-Laws.

2.2 QUORUM. The presence in person or by proxy of persons representing at least FORTY (40%) PERCENT of the total voting interests of the Association shall constitute a quorum of the Membership.

2.3 ENTITY OR MULTIPLE OWNERSHIP OF A UNIT. Such certificate will be signed by all the owners of such Unit, or the proper corporate officer, filed with the Secretary of the Association, and shall be valid until revoked by a subsequent certificate. If such a certificate is not so filed, the vote of such owners shall not be considered in determining a quorum or for any other purpose. If a Unit is owned jointly by a married couple, they may, but shall not be required to designate a voting member. If they do not designate a voting member, and only one of them cast a vote, that vote shall be valid as if the Unit was owned individually by the person casting the vote. However, if both are present at a meeting and are unable to concur in their decision, then the vote of the Unit shall not be counted.

2.4 VOTING; PROXY. Votes may be cast in person or by proxy. Proxies shall be valid only for the particular meeting designated thereon, and any valid adjournment thereof, and must be filed with the Secretary before the appointed time of the meeting. However, in no event shall a proxy be valid for more than ninety (90) days following the date of the first meeting for which it was issued. No one person, other than an Officer of the Association, may be designated to hold more than two (2) proxies. In the case of more than one proxy from a particular Unit, the one dated most recently

will be valid.

2.5 VOTING. In any meeting, each Unit Owner, subject to the provisions of Sections 2.3 and 2.4 hereof, shall be entitled to cast one vote. Each Unit shall be entitled to one vote and the vote of such Unit shall not be divisible.

2.6 MAJORITY. Except where otherwise required by the provisions of the Articles, these By-Laws, the Declaration, or where the same may otherwise be required by law, the affirmative vote of the Owners having a majority of the votes represented at any duly called meeting at which a quorum is present shall be binding upon the members.

4.8 QUORUM. A quorum at a Directors' meeting shall consist of the Directors entitled to cast a majority of the votes of the entire Board. The acts of the Board approved by a majority of the votes present at a meeting at which a quorum is present shall constitute the acts of the Board except as specifically otherwise provided for in the Articles, these By-Laws or the Declaration. If any Directors' meeting cannot be convened because a quorum has not attended, or because the greater percentage of the Directors required to constitute a quorum for particular purposes has not attended, (wherever the latter percentage of attendance may be required as set forth in the Articles, these By-Laws, or the Declaration) the Directors who are present may adjourn the meeting, from time to time, until a quorum, or the required percentage of attendance if greater than a quorum, is present. At any adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice.

4.9 PRESIDING OFFICER. The presiding officer at Directors' Meetings shall be the President, and in the absence of the President, the Vice-President shall preside. In the absence of the President and Vice-President, the Directors present shall designate one of their number to preside.

4.12 MANAGEMENT AGREEMENT. The powers and duties of the Board as set forth in the Articles, unless otherwise prohibited by law, may, in addition to others, be delegated to a Management Firm.

4.14 PROVISIO. 5.1 GENERALLY. The officers of the Association shall be a President, a Vice President, a Treasurer, a Secretary, all of whom shall be elected by the Board of Directors. They may be peremptorily removed by a majority vote of the Directors at any meeting. Any person may hold two or more offices, except that the President shall not also be the Secretary. The Board may, from time to time, elect such other officers and designate their powers and duties as the Board shall find to be required to manage the affairs of the Association. The Officers of the Association shall be entitled to receive an honorarium in an amount to be decided at the discretion of and subject to the approval of a majority of the Board.

5.2 PRESIDENT. The President shall be the chief executive officer of the Association. He or she shall have all the powers and duties which are usually vested in the office of President of an association, including, but not limited to, the powers to appoint committees from among the members, from time to time, as he or she may, in his or her discretion, determine appropriate to assist in the conduct of the affairs of the Association. The President shall be a member of the Board.

5.3 VICE PRESIDENT. The Vice President shall, in the absence or disability of the President, exercise the powers and perform the duties of President. He or she shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Directors or President.

5.4 SECRETARY. The Secretary shall keep the minutes of all proceedings of the Directors and the members; attend to the giving, serving and posting of all notices to the members and directors; have custody of the seal of the Association and affix the same to instruments requiring a seal when duly signed; keep the non-financial records of the

Association; and shall perform all other duties incident to the office of Secretary of an association and as may be required by the Directors or President.

5.5 TREASURER. The Treasurer shall have custody of all of the funds, securities and evidences of indebtedness of the Association. He or she shall keep the Assessment rolls and accounts of the members and the books of the Association in accordance with good accounting practice and shall perform all other duties incident to the office of Treasurer.

The duties of the Treasurer, including the retention of any and all books of the Association, may be fulfilled by the Management Firm as provided in a Management Agreement executed by the Association.

5.6 The compensation of all officers, if any, and employees of the Association shall be fixed by the Directors.

ARTICLE 6.

FISCAL MANAGEMENT: ASSESSMENT: LIENS.

The provisions for fiscal management of the Association set forth in the Declaration shall be supplemented by the following provisions:

6.1 MANNER AND NOTIFICATION. The Board of Directors shall, as required by F.S. 718 from time to time, fix and determine the sums necessary to pay all the Common and Limited Common Expenses of the Condominium, including maintenance of proper reserves, pursuant to the provisions of the Declaration, Management Agreement, Articles, and these By-Laws. All payment required by the aforementioned instruments are Common Expenses of the Condominium. The same shall be assessed against the Unit Owners as provided in the Declaration and all the Exhibits attached thereto. These powers shall be subject to the provisions of the Management Agreement and shall not be construed as being the power of the Management Firm under the Management Agreement to determine sums due under that instrument. The Association shall also, if requested, collect master management fees, for the benefit of the Master Management Firm.

6.2 PROPOSED BUDGET. A copy of the proposed annual budget shall be mailed or electronically transmitted to Unit Owners not less than fourteen (14) days prior to the date of the meeting at which the budget will be considered together with a notice of the meeting.

6.3 DEPOSITORY: WITHDRAWALS. The depository of the Association shall be such bank or banks as shall be designated, from time to time, by the Directors and in which the monies of the Association shall be deposited. Withdrawal of monies from such accounts shall be only by checks signed by such persons as are authorized by the Directors. Should the Association employ a Management Firm or Managing Agent and should in the course of such employment said Management Firm or Managing Agent be charged with any responsibilities concerning control of any of the funds of the Association, then, and in such event, any

Agreement with such Management Firm or Managing Agent pertaining to the deposit and withdrawal of monies shall supersede the provisions hereof during the term of any such agreement. The provisions of the preceding sentence shall, where applicable, apply to the provisions of Sections 6.3 and 6.4 hereof.

6.4 RECORDS. The Official Records of the Association shall be maintained in accordance with the provisions of §718.111(12), Florida Statutes, as same may be amended and/or renumbered from time to time. The Association shall have the right to promulgate rules and regulations regarding the inspection and copying of Association Records.

6.5 FIDELITY BONDS; PROVISIO. Fidelity bonds shall be obtained by the Board for the Treasurer, Assistant Treasurer, if any, and all officers and employees of the Association handling or responsible for Association's funds, and for any contractor handling or responsible for Association's funds. The amount of such bonds shall be determined by the Directors. The premiums on such bonds shall be paid by the Association as a Common Expense.

6.6 FISCAL YEAR. The fiscal year of the Association shall begin on the first day of January of each year; PROVIDED, HOWEVER, that the Board is expressly authorized to adopt a different fiscal year in accordance with the provisions and regulations from time to time prescribed by the Internal Revenue Code of the United States of America, at such time as the Board deems advisable.

6.7 PAYMENTS ASSESSMENTS. Except as specified to the contrary, funds for the payment of Common Expenses shall be assessed against the Unit Owners in the proportions or percentage provided in the Declaration. Said Assessments shall be payable monthly, in advance, without notice, and shall be due on the first day of each month, unless otherwise required by the Board. Special Assessments, should such be required by the Board, shall be levied in the same manner as hereinbefore provided for regular Assessments, except notice thereof shall be given, and shall be payable in the manner determined by the Board. FAILURE TO PAY ANY ASSESSMENT WITHIN TEN (10) DAYS FROM THE DATE DUE SHALL ENTITLE THE ASSOCIATION TO LEVY AN ADMINISTRATIVE LATE CHARGE AGAINST THE DEFAULTING UNIT OWNER NOT TO EXCEED THE HIGHEST AMOUNT PERMITTED BY LAW.

6.8 ACCELERATION OF PAYMENT OF INSTALLMENTS OF ASSESSMENTS. If a Unit Owner shall be in default in the payment of an installment upon any Assessment, the Board may accelerate the remaining monthly installments for the remainder of the budget year. Such accelerated Assessments shall be due and payable on the date the claim of lien is filed.

6.9 ACQUISITION OF UNITS. At any foreclosure sale of a Unit, the Board may acquire, in the name of the Association or its designee, the Unit being foreclosed. The term "foreclosure" as used in this Section, shall mean and include any foreclosure of any lien, including lien for Assessments. The power of the Board to acquire a Unit at any foreclosure sale shall never be interpreted as a requirement or obligation on the part of the said Board or of the Association to do so at any foreclosure sale – the provisions hereof being permissive in nature

and for the purpose of setting forth the power of the Board.

6.10 DEFAULT IN PAYMENT OF ANY ASSESSMENT: LIEN. In the event of a default by a Unit Owner in the payment of any Assessment, the Association shall have all rights and remedies provided by law, including, but not limited to, those provided by the Condominium Act as amended and/or renumbered from time to time, and the liability of the Owner of the Condominium Unit shall include liability for reasonable attorneys' fees and for court costs incurred by the Association incident to the collection of such Assessment or enforcement of its lien. If the Association elects to enforce its lien by foreclosure, and the Unit Owner remains in possession of the Unit after a foreclosure judgment has been entered, the Unit Owner may be required to pay a reasonable rental for the Unit. Nothing herein contained shall bar a suit to recover a money judgment for unpaid Assessments without waiving the lien securing the same.

ARTICLE 7.

COMPLIANCE AND DEFAULT.

Each Unit Owner shall be governed by and shall comply with the terms of the Declaration, the Articles, these By-Laws and Rules and Regulations adopted pursuant thereto, and said documents and regulations as they may be amended from time to time. The Association shall have the right to levy fines for non-compliance in the manner set forth by the Condominium Act, as amended and/or renumbered from time to time. In addition, the failure of a Unit Owner to comply with any provision of the Governing Documents shall entitle the Association, or other Unit Owners, to pursue an action for damages or for injunctive relief or both, and to seek the following relief, in addition to the remedies provided by the Condominium Act, as amended and/or renumbered from time to time.

7.1. COSTS AND ATTORNEY FEES. The costs and reasonable attorney's fees incurred by the Association, including all attorney's fees and costs: (1) prior to the filing of any legal proceeding, (2) subsequent to the filing of any legal proceeding, and (3) those resulting from any appellate proceedings, in any action against an Owner to enforce any provision of the Declaration, the Articles of Incorporation, By-Laws, or Rules and Regulations, all as may be amended from time to time, shall be a personal obligation of such Owner which shall be paid by such Owner and any amount thereof which remains due and unpaid shall be a continuing lien upon such Owner's Unit, collectible in the same manner as an Assessment, pursuant to §718.116, Florida Statutes as amended and/or renumbered from time to time.

7.2. NO WAIVER OF RIGHTS. The failure of the Association or any Unit Owner to enforce any provision of the Condominium Act, the Declaration, the Articles, these By-Laws or the Rules and Regulations adopted pursuant thereto, shall not constitute a waiver of the right to do so thereafter.

7.3 NO ELECTION OF REMEDIES. All rights, remedies and privileges granted to the Association or Unit Owners under any terms or provisions of the Condominium Documents

shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party from exercising such other additional rights, remedies, or privileges as may be granted by the Condominium Documents, or at law or in equity.

7.4 SAFETY VIOLATIONS: Any violations which are deemed by the Board to be a hazard to public health or safety may be corrected immediately as an emergency matter by the Association and the cost thereof shall be charged to the Unit Owner as a specific item and shall be a lien against said Unit with the same force and effect as if the charge was a part of the Common Expenses attributable to such Unit Owner.

7.5 LIABILITY OF UNIT OWNERS. All Unit Owners shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness, or by that of any member of his family, or his or their guests, employees, agents or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include but not be limited to any increase in insurance rates occasioned by use, misuse, occupancy or abandonment of any Unit or its appurtenances. Nothing herein contained, however, shall be construed so as to modify any waiver by insurance companies of rights of subrogation. Any expenses incurred by the Association as a result of a Unit Owner's negligence or that of his family members, guests or invitees, shall be collectable in the same manner as an Assessment pursuant to the Declaration, including lien and foreclosure pursuant to §718.116, Florida Statutes as may be amended and/or renumbered from time to time.

7.6 LIABILITY OF UNIT OWNERS TO MANAGEMENT FIRM. Section 6.10 above shall include any Assessment due by virtue of the Management Agreement, and Management Firm shall also have the right to bring such actions and the right to obtain such relief in its own name, including damages, attorneys' fees and costs, to enforce the provisions thereof.

7.7 LIABILITY OF UNITS TO MASTER MANAGEMENT FIRMS. The Unit Owners who are bound by the Master Management Agreement shall be directly responsible for payments thereunder to the Master Management Firm as applicable. However, in the event that the Association, on its own behalf or as a representative of the Unit Owners, incurs liability to the Master Management Firm, or the same shall be deemed the joint and several responsibilities of both the Association and the Unit Owners, and said Master Management Firm may proceed to collect the same in its own name. This covenant is for the benefit of the Master Management Firm and may not be modified except with the written consent of said Master Management Firm.

7.8 CORRESPONDING DEFAULT. A breach of these By-Laws shall be deemed, in the context required, a breach of the Management Agreement. The Management Firm shall have all power of enforcement of the Association.

7.9 SURVIVING LIABILITY. Termination of membership in the Association shall not

relieve said party from any liability, financial or otherwise, incurred by said party while a member and shall in no way impair any rights that the Association has, or may have had, against the terminating member.

7.10 EXCESS LIABILITY. The Association shall give notice to the Unit Owners of excess liability as provided in F.S. 718.119(3), as may be amended and/or renumbered from time to time.

7.11 FINES AND SUSPENSIONS. The Association may levy reasonable fines for the failure of the Owner of the Unit or its occupant, guest, licensee, or invitee to comply with any provision of the Declaration, the Articles, By-Laws, or the Rules and Regulations. Unless otherwise permitted by law, a fine may not become a lien against a Unit. A fine may be levied by the Board on the basis of each day of a continuing violation, with a single notice and opportunity for hearing before a committee as provided herein. However, the fine may not exceed \$100 per violation per day, or \$1,000 in the aggregate, unless otherwise permitted by law.

(a) An Association may suspend, for a reasonable period of time, the right of a Unit Owner, or a Unit Owner's tenant, guest, or invitee, to use the Common Elements, Common Facilities, or any other Association Property for failure to comply with any provision of the Declaration, By-Laws, Articles, or Rules and Regulations of the Association. This Section does not apply to Limited Common Elements intended to be used only by that Unit, Common Elements needed to access the Unit, utility services provided to the Unit, or parking spaces.

(b) In accordance with FS 718.303(3)(b) as may be amended and/or renumbered from time to time, a fine or suspension levied by the Board may not be imposed unless the Board first provides at least fourteen (14) days' written notice and an opportunity for a hearing to the Unit Owner and, if applicable, its guest, occupant, licensee, or invitee. The hearing must be held before a committee of at least three (3) Unit Owners who are neither Board members nor persons residing in a Board member's household or a member of their family. The role of the committee is limited to determining whether to confirm or reject the fine or suspension levied by the Board. If the committee does not agree with the fine or suspension, the fine or suspension may not be imposed.

ARTICLE 8.

LIMITATION OF LIABILITY.

Notwithstanding the duty of the Association or Management Firm to maintain and repair the Condominium Property, they shall not be liable for injury or damage caused by latent condition in the property nor for injury or damage caused by the elements, or by other Owners or persons.

ARTICLE 9.

PARLIAMENTARY RULES.

ROBERTS RULES OF ORDER (latest edition) shall govern the conduct of Association proceedings when not in conflict with the Declaration, the Articles, these By-Laws, Management Agreements, or with the Statutes of the State of Florida, all as amended from time to time.

ARTICLE 10.

AMENDMENTS TO BY-LAWS, EXCEPT AS TO USE AND DECORUM.

Amendments to these By-Laws, except amendments relating to the use and decorum of the Condominium Property, as hereinafter defined and provided for, shall be proposed and adopted in the following manner:

10.1 PROPOSAL. Amendments to these By-Laws may be proposed by the Board acting upon a vote of the majority of the Directors or by members of the Association having a majority of the voting interests in the Association, whether meeting as members or by an instrument in writing signed by them.

10.2 VOTE NECESSARY; RECORDING. In order for such proposed amendment or amendments to become effective, the same must be approved by an affirmative vote of a majority of the entire membership of the Board and by an affirmative vote by not less than two-thirds (2/3) of the voting interests of the Association appearing in person or by proxy at a duly noticed meeting of the membership of the Association called in accordance with the provisions of these By-Laws at which a quorum is established. Thereupon, such amendment or amendments to these By-Laws shall be transcribed, certified by an Officer of the Association with the formalities of a deed, and a copy thereof shall be recorded in the Public Records of Broward County, Florida. Such amendment shall be deemed effective upon the date of recording in the public records.

10.3 PROVISIO. Notwithstanding the foregoing provisions of this ARTICLE 10, no amendment to these By-Laws which affects the Management Firms may be adopted or become effective without the prior written consent of the affected Management Firm, the Recreation Management Firm and/or Master Management Firm.

ARTICLE 11

BY-LAWS PERTAINING TO USE AND DECORUM.

11.1 DEFINITION. "Use" and "Decorum" as used herein shall refer to matters pertaining to dress, decorum, noise, use of Units, use of Common Elements and Limited Common Elements.
